"Wow, Kookie, your work is lit AF" Nam Joon flashed his dimpled smile

"Our maknae is well rounded" Jin said

"Of course, I couldn't have done it without you hyungs."
Jungkook replied

Just then.. They happen to pass by another work.

By : Lalisa Manoban

A/N:(K..lol, just imagine it's hers)

"Hmm.. It looks kinda dark." Jimin commented as they all gathered around the work.

"The photographer in here must be emo." Yoon Gi muttered.

"Kookie's work is still better." Jin said

"But it looks cool though" Taehyung said

"Tsk.. You really have a weird taste Hyung.., look how creepy her work is.. So dark, it gives me the creepy vibes.. And it also just seems so mundane and boring." Jungkook stated.

Little did they all know that Lisa was just behind them as she heard them laughing and giving mockery to her work.

She clenched her fists.

Those idiots.. Just watch me win... Lisa thought angrily, then she walked away.

Flashforward > > >

audiences and guests clapping.

The host walked unto the stage...

"Welcome to our annual Aera Seoul University Photography Exhibit! .. The judges had finally chosen the best photograph work at the moment. The winner gets gift certificates at Monbon Ramen store, and will have a free trip going to Thailand."

The people gasped in amazement as they were all anticipating as to who's the winner.

"Kookie... We know you could win this." Jin patted Jungkook's back

"Thanks Hyung."

On the other hand, Lisa was getting nervous.

She wants to win, just by hearing that there's a free trip to Thailand, she is willing to risk everything just to get that award for her to be able to go back to her hometown and visit her family.

"Alright listen up.... I'm going to finally announce the best photographer from Aera Seoul University.." Ga Hee, one of the judges announced.

"And the Best Photographer award goes to....."

Beads of sweat started forming in Lisa's forehead.

*Jebal Jebal..*She thought

"....Mr. Jeon Jungkook!"

Jungkook's eyes lit up with happiness, his hyungs patted his back proudly, and he stood up to go onstage to receive the award.

Lisa on the other hand looked at him pissed off.

*I wanna pull out those bunny teeth of his!..*She thought with gritted teeth.

She then went to the restroom as she bursted into tears

*My free trip to Thailand..it's all gone now.. Do I really lack photography skills?.. But it's my hobby and I'm passionate about it, but how come that rude bastard who badmouthed my work won?...*She shook her head in disbelief.

Back inside the exhibit room..

"Congrats Kookie!" Taehyung hugged Jungkook

They then took pictures together.

"We're so proud of you bro!" Jimin had bro fist him.

"See? My work had always been better.." Jungkook smiled

"Too bad that Lisa girl's work didn't win." Jin said sarcastically, then they all laughed.

Flashforward > > >

At the hotel..

"Listen.. Honey, you can't stay in that hotel all the time, it would only add up to your expenses.. You need to rent a house to stay at."

Lisa's mom spoke on the other line of the phone.

"But mom.. Isn't it hard to look around for a house? I mean, Seoul is really huge and I'm a freshman, so I don't really know everything here."

"Honey.. I thought you already found new friends to help you?"

"Well.. Not yet... But I promise you.. I'll try my best to adjust, and find a new place to stay at."

"Promise?"

"Promise Mom."

"Are you doing fine there? How's school?"

"Well, it's fine, the usual." Lisa said in irony.

"Alright, I know you could handle yourself well there Lisa, you're an independent, brave and strong girl, I believe in you."

"Thanks Mom."

"I need to go now okay? Bye."

"Bye."

Lisa hung up and tears started welling up in her eyes.

I miss you mom..I'll make you proud.. Lisa thought.

Chapter 2

Lisa wiped her face with a towel as she kept on biking around the streets of Seoul just to look for a 'new place' to stay at, but unfortunately, she haven't seen any place who could give offers

She finally got tired and exhausted as she plopped down on a bench.

*Ugh! Why am I so unlucky?...*She thought to herself as she gasped for breath.

Just then.. She looked up and saw a large poster posted on a door of a large house that stood from her peripheral vision.

House for rent

Her eyes widened as she immediately went towards it and knocked on the house's door.

A joyful looking guy with a bright smile opened the door and welcomed her.

"What do you need Miss?" The guy asked

"Well.. Is there still any space available in your house?" Lisa asked politely.

The guy just looked at her and smiled.

Meanwhile...(at Aera Seoul University.)

"Bro, what's your problem?" Jimin asks Jungkook as they walked together

"Well.. About IU, I'm planning to confess to her but I'm afraid she'd reject me." Jungkook said

"Look.. My only advice for you is to ask her first about her ideal type, then you put in all your efforts to pursue that standards of hers."

"That's a great idea."

Just then, IU happened to passed by.

"I guess I'd use your advice..Thanks Bro, gotta catch up with you later." Jungkook smirked as he patted Jimin's back and ran to chase after IU.

As IU was walking, she stopped abruptly and turned around only to find Jungkook smiling at her.

"Oh hey Kookie.. What do you need?" IU asked

"Ugh..Well..Y-You see.. Umm.." Jungkook stuttered.

"Are you alright?"

"Y-Yes.. can I ask you something noona? I hope y-you won't m-

mind."

"Oh.. What is it?"

"What's your ideal type?"

"Wow.. That seems to be a personal question, well Kookie, I won't anymore ask why so don't worry.. I like someone who's mature, someone who's willing to put me above all else, someone who can be responsible and reliable at the same time, someone who knows how to cook and do the household chores."

"Oh.. Okay.. Bye Noona!" Jungkook instantly ran away.

He blushed and felt embarrassed as he wasn't really into household chores and cooking.

Therefore, as what Jimin said, he had to work hard and give effort to fit her type..but how?

Back at the house...

Lisa was hungrily eating the noodles and sipping the soup.

"Wow you're such a good eater. What's your name Miss?" The guy asked

"Lisa.. By the way, I also don't know your name."

"Well, I'm Jung Hoseok, your landlord, my childhood best friend also rents in here so it's only the two of us, but now, a lucky girl like you has taken the last available spot for rent, so there's now the three of us."

"Me? A lucky girl? Tsk.."

"Yah.. Are you saying you're unlucky? Don't do that to yourself, bad things happen not because you're unlucky, it just happens naturally."

"Well then gomawo Hoseok..I'm still not convinced though."

"Trust me Lisa..I'm your Hope and Sunshine."

"Well then, can I call you J-Hope?"

"That's a nice nickname..thanks, by the way, let's go upstairs shall we? I'll show you to your room." Hoseok grinned as he stood up.

Lisa grinned back at him and they started climbing upstairs.

Hoseok helped Lisa carry her luggages inside her new room.

"Lisa, you're officially welcomed in this room..but..is it alright with you that your room is adjoined to my bestfriend's room?" Hoseok muttered

"Hoseok.. Anything is fine as long as I finally found a place to live in." Lisa replied with a relief in her voice.

"Well then.. Make yourself comfortable, and I hope you like your new room.. And by the way.. don't mind my bestfriend when he's too noisy snoring on the other room."

Lisa chuckled hearing Hoseok's words as he winked at her before leaving her in the room.

She decided to go on a shower first so she removed her clothes

and entered the shower room.

After she was finished, she dried her hair up with a towel and her body was wrapped with another towel.

Just as she was closing the restroom, she heard the room's door opening, she went to check out who just entered

And her two eyes couldn't believe what it saw.

It was Jungkook.

He was Hoseok's bestfriend.

He sleeps on the other room adjoined with hers.

"What are you doing in here?!" Jungkook's eyes widened in shock as he sees her.

He then looked at her from head to toe, then Lisa just realized again that her body was only wrapped with a towel.

"Stop looking at me you idiot, I rented here." Lisa said

Before immediately dashing to her room.

Chapter 3

While Lisa had already changed to her pajamas and is now brushing her hair, Jungkook suddenly entered her room.

"Welcome tenant mate." Jungkook grinned

Lisa placed down her brush and turned around to face Jungkook.

"Don't act all friendly towards me now." Lisa told him with her mad expression.

"Look.. Chill, what's wrong with you jinja? Are you really that unfriendly?."

"Well I'm really unfriendly provided that I'm talking to the person who mocked my work in front of me."

"Mock? Tsk.. I don't even know what you're talking about."

"Don't act all blind..you mocked my photograph works awhile ago.. Are you really all that perfect?"

"Oh the one in the exhibit...Look.. I'm just stating the fact that your work was really mundane and boring.. But for now? Why don't we set aside your grudge on me and help me on something."

"Help you? You're really thick faced you know? After insulting me, here you are asking for my help?"

"Look.. What can I do to let you help me?"

"Simple.. Apologize to me first.. Then, help me win this upcoming sports Aera relay race."

"Is that it? Okay fine I'll help you and I'm sorry for insulting your work. Fair enough?"

"Now great.. What do you need help with."

"Train me to become responsible and mature and pretend that you're my noona so that no one would think oddly about what's our relationship with each other. Because in this, we need to be closer than usual, so to avoid misassumptions of us dating, we have to pretend that we're siblings instead."

"Wow... Is that it? And why would I do that?"

"Because I like someone and she likes a guy who's mature and responsible enough, so I want to be one."

"Geez, who wouldn't want a boyfriend who's responsible and mature right? Okay fine, I'll help you but you need to help me as well."

"Deal?"

"Deal"

The next morning...

Lisa was cooking sunny side up, and bacon for both her and Jungkook. She had to act like his noona, and that was part of the plan.

"Good morning Noona." Jungkook grinned cheekily as he sat down on the dining area.

"Oh.. Good morning dongsaeng." Lisa plasticly greeted him as she placed all the cooked foods in front of him.

"Yah.. Kookie, why did you let our new tenant cook for you? Is she your servant? Did you perhaps knew each other? Eyy.. Don't tell me you two are dating?" Hoseok poured out some questions as he came out from his room.

Lisa and Jungkook exchanged glances as they looked at Hoseok.

Jungkook then winked at Lisa secretly.

"Oh.. Well, J-Hope, I'm sorry for only telling you this right now, but Jungkook is my dongsaeng." Lisa lied.

"Y-Your dongsaeng? How come I haven't known about this?" Hoseok turned to Jungkook.

"Well, Lisa noona was sent to abroad, that's why I haven't seen her since then and I haven't introduced her to you... I'm sorry Hoseok..Well now, you finally get to meet my noona" Jungkook smiled cheekily as he pointed at Lisa.

"Oh, well then.. Nice to meet you Jungkook's noona." Hoseok playfully grinned at Lisa.

Then they both chuckled.

***Flashforward* > > >**

Lisa went to her room feeling guilty, then Jungkook followed her.

"Jungkook, Don't you feel guilty lying to your bestfriend?" Lisa pouted.

"Lisa, in life, there are times wherein we need to tell a lie."

"What if we'll just tell him the truth?"

"Are you crazy? Then he'd assume that we're both dating, that's the problem with Hoseok.. Whenever he sees me too close with a girl he'd get mad at me thinking that I broke our 'no relationship' promise when were still back in highschool."

"Aigoo.. Darn that promise! I don't think I can still cope up being your noona. Even at school, do I really need to act like your noona as well?"

"Yes.. Why is there any problem noona?" Jungkook leaned closer to Lisa.

Lisa felt her cheeks heat up.

"Or do I have to be your oppa?" Jungkook added as he smirked.

"Yah! Don't get too close to me you Jerk!" Lisa pushed him farther from her.

"Anyways.. Start teaching me Noona." Jungkook chuckled
And Lisa sent him a death glare.

-sweep the floor

Moral rules:

-Keep your cool whenever there's argument.

-Dress neatly

-start a smart conversation

-then finally.. Go to the girl's house and show her your skills and help her on her house chores.

(Do this daily)

"Do I really have to do all this?" Jungkook said as he looked at the paper Lisa gave him.

They were at the living room to start the mentoring to become responsible and mature.

"Why? Are you complaining? We had a deal that you're my dongsaeng and I'm your noona right? So as a dongsaeng, you need to follow your noona. Understand?" Lisa muttered

"Wow, Lisa, you're really a strict noona of Jungkook aren't you?" Hoseok said as he went to drink a glass of water.

"Of course, as his noona, I have to train my dongsaeng to become responsible and mature."

"Wah, I'm really thankful Lisa.. Jungkook would finally help me with the chores and he would finally stop being an immature kiddo." Hoseok said in relief.

"Yah! What are you even saying?! I am responsible you know?!" Jungkook defended himself

Hoseok and Lisa started laughing at him and he stomped off from the living room angrily.

Jungkook went to the balcony as he got so pissed off.

"Hey.. Your bestfriend was just joking you know?" Lisa went beside him.

"I know.. I just.. I just think that it would be impossible in winning IU's heart." Jungkook said with a sad face.

It was the first time that Lisa had saw him this upset.

"Look, stop being pessimistic, I'm here to help you. We had a deal right? And remember you had to help me win the Aera relay race competition." Lisa said

Jungkook looked up at her and she smiled at him with assurance.

"Okay, I won't be complaining anymore.. Starting tomorrow, I'll do the training." Jungkook said

"Good boy." Lisa smiled as she rubbed Jungkook's head.

The next morning...

Jungkook was the one who drove in his car and Lisa was in the front seat as they both went to school together.

When they came out of the car and started walking together, students started gathering around them and looked at them.

Omo.. Is that Jungkook with that weirdo freshman, Lisa?

Wait, are they dating?

Impossible, Lisa wouldn't even pass Jungkook's standards.

Jungkook then stopped as he went to wrap his arms around Lisa and turned to face the students who gathered around them.

"Everyone.. Listen up. From now on, I don't want any of you to badmouth her, because you know why? She is my long lost noona. She went to abroad and I regret the fact that I was disrespectful to her when we first met."

His noona?

They looked similar though.

Yeah right.

The students started to look guilty as they bowed down and slowly left.

Lisa felt a flush of relief in her

Now I don't have to deal with bull craps anymore... Lisa thought to herself.

Just then, Lisa realized that Jungkook had been wrapping his arms around her way too long.

"Umm.. Jungkook.. Can you.." She tried to budge.

"Oh.. Mianhe." Jungkook instantly unwrapped his arm around her.

Jungkook cleared his throat awkwardly.

"Look.. From now on, call me Kookie, and I'll call you noona, so they won't get suspicious." Jungkook said

"Alright.. Kookie." Lisa said

"That sounds better.. Hmm Noona.. Won't you send me to my classroom?" Jungkook smirked.

"Yah.. I was supposed to be your noona, not your personal servant."

"Jungkook? What's the meaning of this?" Lisa and Jungkook looked behind them only to find Nam Joon and the rest of the BTS

Squad.

"Annyeong Lisa." Taehyung greeted Lisa with his rectangular box smile.

Lisa bowed down at them awkwardly.

"Well.. Umm.. Guys, actually.. I have something to tell you." Jungkook said

"What is it? That you are finally dating her?" Jimin eyed them suspiciously

"Ani.. Meet Lisa, my long lost noona, I just discovered yesterday that she was my sister because we got separated when she got to abroad."

"MWO?!" They all exclaimed in unison.

"Your noona?" Jin couldn't believe what he heard

"Yah Kookie..Why didn't you told us before? We feel guilty for insulting her." Yoon Gi said

"We're sorry Lisa." Nam Joon suddenly knelt down.. Then the rest of the BTS squad followed.

"Guys.. You don't have to do that." Lisa chuckled feeling embarrassed.

Chapter 5

"Kookie... Gomawo, if it wasn't for you, our schoolmates and your squad won't probably stop insulting and mocking me all the time." Lisa said as she and Jungkook walked together on the streets of Seoul to buy groceries for the next day.

"Well that's nothing, since you're trying to help me win IU, that was me paying my debt off." Jungkook said

Jungkook isn't a bad guy after all.. Lisa thought.

"Yah, Noona.. Buy me fish cakes jebal." Jungkook childishly spoke to Lisa making her laugh loudly.

"Yah you look awful trying to pull off an aegyo Kookie yah." Lisa kept on laughing.

"Noona jebal..hm?"

"You worked hard pulling that off though, fine, dongsaeng, I'll buy you fishcakes."

"Yes! Thanks Noona!!"

Lisa chuckled at Jungkook's hilarious moment.

They then went to buy fishcakes and Jungkook had finished around 30 sticks.

"Wow dongsaeng! You're such a great eater! I can't buy groceries anymore!" Lisa pouted as she looked at her wallet.

"Mianhe noona." Jungkook pouted like a child.

"Aigoo this kiddo."

As they entered the grocery mall, Jungkook started to demand on what he needs making Lisa get annoyed

Noona can you buy me this one?

Noona buy me that one.

This, this and that pretzels over there, noona please?

When Lisa and Jungkook went out of the grocery store, Lisa immediately smacked Jungkook in the head.

"Jungkook.. Because of you my wallet is empty! Aishh!" Lisa gritted her teeth angrily.

"Wow, now you're complaining, didn't we had a deal that you're my noona and I'm your dongsaeng? Therefore a noona should help her dongsaeng fulfill her needs." Jungkook smirked casually.

"Yeah but does it really have to be like this? Me buying everything for you? As a noona, I need to stop spoiling you from now on."

"As a dongsaeng, I haven't even complained that I'm going to get trained, tsk."

"Alright fine.. It's a deal, since I bought you and spoiled you with everything you wanted today.. Then tomorrow, you need to comply to the training tasks well okay?"

"Okay Noona."

Lisa rolled her eyes.

At Hoseok's house...

After placing all the groceries on their proper places..

Lisa went to her room and removed her jacket,

She instantly dived unto her bed feeling exhausted, she then looked at the ceiling

That jerk.. Who does he think I am? His personal financier? Ugh! I thought he was good but he's really really evil deep inside! Aigoo jinja! But.. I have to make him pay for it tomorrow.. Ha! I'll make him suffer and then I'd finally get my revenge on him!... Lisa thought.

The next morning...

Jungkook woke up as he felt his face being rinsed up with water,

"Yah! WHAT ARE YOU DOING?!" He instantly sat up as he found out that Lisa was shoving water on his face through a hose.

"Wake up sleepy head, your training starts now." Lisa smirked.

"How dare y-.." Jungkook's mouth was shut off by Lisa's index finger

"Nuh uh uh.. You can't talk back to me like that.. I'm your noona remember?" Lisa said

"Hoseok! Help me!" Jungkook called for help.

"Oh dear.. Hoseok's not here today, it's only the two of us, and a deal is a deal okay?"

"Alright fine!" Jungkook sighed in defeat.

Flashforward > > >

Jungkook started doing all of the training tasks.. From washing the dishes, sweeping the floor, cooking for lunch up to dinner, do gardening, and doing the laundry.

While he was sweeping...

"You missed a spot!" Lisa pointed on a dirt on the floor.

"Ugh!" Jungkook groaned in exhaustion.

As he was washing the dishes...

"Your plates still smell of detergent.. Eek!" Lisa pulled off a disgusted face

Jungkook gritted his teeth as he tried to rinse again the plates.

As he was cooking, he was afraid of the oil splashing unto his skin....

"Be brave dongsaeng" Lisa pushed him nearer the stove

He flinched in pain as the oil stung on his arm's skin.

As he was doing gardening...

"Yah, dig up the soil more deeper." Lisa scolded him.

He then tried to dig more deeper with his calloused hands.

As he was doing laundry..

"Do it more fast Kookie." Lisa ordered him

"I'm trying in here." He said as he tried washing the clothes as faster as he could.

***Flashforward* > > >**

Jungkook tilted his head sideways as he felt his neck crack a little bit.

He then looked at his now reddish hands, and he was now smelly of sweat.

"I'm tired" He complained

"You can't complain Jungkook, remember you're doing this for IU." Lisa smirked as she left him.

*I don't wanna do this anymore..I'm such a pabo for starting this deal in the first place....*Jungkook thought as he exhaustedly dived unto the couch.

| end of Chapter |

Chapter 6

"Yah Lalisa, I can't do this anymore." Jungkook said as he entered Lisa's room.

"So, I did everything you told me, act like your noona, and buy you everything you want, you were even the one who started the deal... And now you're saying that you're tired? Tsk." Lisa said as she applied facial mask on her face.

"Look.. You're not helping me get trained at all.. You're making me suffer." Jungkook said in his tired tone.

"Alright.. Here's another deal, if you treat me well this time and stop making me your personal financier, then I will really help you and teach you to do all the tasks. Is that okay?"

Jungkook scoffed upon hearing Lisa's words. "Alright.. Fine."

The next morning....

"Here watch me sweep the floor okay?" Lisa said as Jungkook watched her grabbed the sweep and dust pan.

She started sweeping the floor, and Jungkook focused at her every movements, the way she swept.

This time, his gaze diverted on Lisa's face, her side-view is just visible to his eyes.

He suddenly felt guilty of all the things he had done to her, because after the way he maltreated her since before, she still chose to help him on something.

"There... Did you get the step?" Lisa broke him off from his trance.

Jungkook nodded unconsciously then Lisa chuckled.

"Try it this time." She gave him the sweep and dust pan.

Jungkook started sweeping,

"Ani... You should try to use sweep softly and gently as you can, so that no dust particles would scatter back to its place." Lisa started to hold his hands to guide it.

Jungkook suddenly felt something stinging inside him when he felt her touch him.

It felt awkward for both of them.

After that... Cooking...

Jungkook started chopping onions, garlic and all the herbs.

But this time, he accidentally cut his finger.

"Yah.. Omo, be careful." Lisa instantly rushed to get band aid and

wrapped his finger with it, she then blew air in it.

"I can do it myself you know." Jungkook said in his blank tone

"Look, as a noona, I have to take care of my dongsaeng remember?" Lisa replied cheekily.

"Tsk."

This time, Jungkook had poured all the ingredients on the frying pan, he then started mixing them all with a wooden stirrer.

"You're not doing it well, you have to stir it more vigorously." Lisa went behind him and held his arm that's holding the stirrer.

"Yah.. What are you doing?" Jungkook asked

"Teaching you idiot." Lisa replied.

Jungkook don't know why everytime she touches him, he has this tingling sensation inside him.

He was also confused as to why his heart had beat unusually than before.

Flashforward > > >

After all the teaching sessions, he rested by plopping down the living room's couch.

He then stared at his band-aided finger.

The way Lisa, had wrapped his finger with it and the way she blew in it keeps flashing back on his mind, making him chuckle to himself.

After that, he eventually drifted to sleep.

Midnight...

When Lisa went downstairs to get drinking water, she saw Jungkook's sleeping state on the couch.

This bunny, I thought he had went upstairs awhile ago... She thought.

She then knelt down as she went to examine him sleeping peacefully.

He looks attractive up close... She smiled.

She then stood up to get a blanket and covered it on top of him.

"Sleep tight Kookie yah.. And don't let the bed bugs bite." Lisa whispered.

The next morning...

Jungkook woke up feeling shocked as to why he already had a blanket on,

He then saw a plate on the table with macarons, and pancakes with strawberries and blueberries.

He then read the note.

Eat well Kookie yah.. I have to go ahead to school to avoid any more suspicion..

-Lisa 😊, your noona.

He unconsciously grinned widely showing his bunny teeth.

That girl, why does she make me feel differently?...He thought.

Chapter 7

At School...

Jungkook was laughing together with his BTS squad, they were busy chitchatting.

But then, Jungkook's attention suddenly diverted when he saw Lisa who happened to pass by them.

"Guys, gotta catch up later!" Jungkook suddenly left his squad as he started following Lisa instead.

He stopped by behind the wall and he saw Lisa talking to a guy.

He then narrowed his eyes

Who the hell is that?...He thought.

"Hey Bammie!" Lisa instantly tackled Bambam with her tight hug.

"Yah Babe! I miss you!!" Bambam told her.

Babe? Is she dating him?...Jungkook thought.

Jungkook didn't know why he somewhat feel like something or someone was stolen from him.

He clenched his fists and eventually left.

At the cafeteria...

Jungkook was busily eating with his squad when..

"Look.. Jungkookie, isn't that your noona?" Nam Joon pointed Lisa walking together with Bambam.

They were both happily eating ice cream together.

"I don't care." Jungkook unconsciously muttered

"Did you two fought?" Taehyung asked

Jungkook realized that he said it out loud.

Seriously, what's wrong with me? Why am I so angry when she's with someone else...Jungkook thought.

Just then..IU passed by, she smiled at Jungkook and Jungkook smiled back at her.

"Yah.. Did you already win IU's heart?" Jin asked

"No.. The truth is.. I don't know, I think my feelings for her suddenly changed." Jungkook replied bluntly.

"Wow, are you serious Kookie? You mean, you don't like her anymore?" Jimin asked

"Yes."

"Is it because of your noona? Are you getting too attached to her?" Nam Joon teased him. Then they all laughed at him.

Jungkook just smiled.

Yes, it could probably be because of noona... Jungkook thought to himself.

Flashforward > > >

"Annyeong Kookie yah." Lisa greeted Jungkook as she entered his room

(Note: she still needs to pass by Jungkook's room to be able to go to her room, since they have adjoined bedrooms)

Jungkook placed down the comics he was reading as he looked at Lisa enter her room.

"Where have you been?" Jungkook asked as he followed Lisa towards her room

"Oh.. With a date." Lisa answered dreamily.

"A Date?? Wow.. You were suppose to focus on training me and then there you are, going on your stupid dates." Jungkook's face turned sour.

"Yah.. What's your problem? Can't a girl spend some good time? And besides, today is our break day right?"

"Yeah but still.."

"Look dongsaeng.. Instead of blabbering here and there about my date.. Why not start training me with relay race running? It's gonna be the day after tomorrow. Jebalyoo??" Lisa pleaded with her cute voice while emphasizing the word 'jebalyoo'.

What Jungkook did next made Lisa get flabbergasted.

He leaned forward towards her and held her waist , their faces were now inches from each other.

"Train you?" Jungkook smirked

"Y-Yah.. Why are you like this?.." Lisa tried to pry off Jungkook's hands from her waist.

But instead Jungkook gripped her waist tighter.

"Alright, I'll train you, on one condition.. "

"What?"

"Call me Oppa for the whole day tomorrow while I train you." Jungkook said

Lisa then instantly pushed him away.

"Excuse me? Call you oppa? Tsk... What kind of nonsense are you trying to pull off?"

"Alright fine..It's quite simple, if you don't agree to my condition.. I won't train you at all."

"Why do you have to give me another condition when it wasn't even part of the deal?!"

"I was the one who started the deal, therefore I could add any conditions I want."

"Alright." She sighed in annoyance and defeat.

"Alright what?" Jungkook smiled devilishly.

"Alright... Oppa." Lisa said as she turned away and walked out in surrender.

Jungkook then smiled widely as he laid down on his bed.

Tonight is the best night ever... Jungkook thought.

Chapter 8

A/N: Sorry for late UD :) thank you for continuing to support my work guys.

The next morning...

"Aishh jinja... I'm still so sleepy." Lisa complained as Jungkook had brought her to the Aera University's track and field area.

"Stop complaining lazy ass, just remember how you let me suffered a few days ago. I guess it's payback time." Jungkook said
Lisa scoffed and rolled her eyes.

"Now, shall we start?" Jungkook said as he started stretching.

"Yes, Kookie yah,"

"Nope, that's not how you address me."

"Eh?"

What happened the previous night flashed back on Lisa's mind making her cheeks heat up.

"Oh...Ah..Yes..O-Oppa." Lisa stuttered

"Now good...In relay race, you have to be as competitive as ever, therefore I challenge you to compete with me right now."

"Compete with you? I think that's a bad idea Koo-..I mean Oppa. Because you're athletic so our competition result is pretty obvious."

Is he crazy? I'm going to lose to him, I saw how fast he was before when they had a relay race competition.. Lisa thought.

"Why are you thinking bad of yourself? Look.. I'm already helping you here, so I guess I'll have to take back the offer of helping you."

"No DON'T!"

"Alright, so let's start."

Jungkook and Lisa had already went to the starting point of the track.

"Hana..Dul...Set!" Jungkook and Lisa started running.

Jungkook and Lisa were synchronized in running but then in the middle part, Jungkook had fasten up his running pace.

Lisa was now feeling helpless, she tried her might to catch up with him but she couldn't.

Making Jungkook cross the finish line first.

Lisa gasped for breath as she crossed the finish line just after Jungkook.

"I-I.. Can't do this." She struggled for breath.

"Alright.. Shall we try again?"

"L-Look, I'm tired"

"Tsk.. Yah, do you want to succeed? Then never give up.. Here, I'm teaching you to become competitive, whenever you lose whether in a game or a bet always remember to try again or challenge the person again who made a bet with you, you have to prove that you yourself is capable to win, you need to have that fighting spirit in you."

Lisa sighed in defeat.

They started competing again, and again, and again....

Lisa was always losing to Jungkook until she finally gave up and sat down on the ground as she was now so haggard and sweaty.

"I guess you still have no match with me." Jungkook sat beside her.

"You boastful jerk." Lisa muttered.

"Shall we try again for the last time? The loser gets to treat the winner for tonight."

Lisa's eyes suddenly widened at what Jungkook said, since her stomach rumbled.

"Alright.. I'm in." Lisa smiled

They started going to the starting line again, and Lisa took a deep breath.

"Hana..Dul...Set!" Jungkook and Lisa started running.

By this time Jungkook was still ahead of Lisa,

But Lisa was just running slowly to save up her energy to be able to accelerate between the race track and win against Jungkook.

Jungkook was now smiling proudly as he was still ahead of Lisa.

But little did he know, that Lisa had fastened her pace, her long legs are now stretched than ever whilst running.

They were now half-way through the finish line and Jungkook started gasping for breath, but Lisa, she just smirked and managed to cross the finish line first.

"HA! I WON!" Lisa jumped in triumph.

Jungkook gasped for breath.

"There you go.. That's the spirit. I believe that you can ace the relay race tomorrow." Jungkook felt proud of her.

"Thanks to you, I was able to learn to a lot of things, Gomawo...Oppa." Lisa smiled at him widely

Then she continued jumping in happiness.

Jungkook grinned widely not just because he was proud that he was able to train Lisa well, but also because she had called him 'Oppa'.

"Then.. How about the deal. You get treat me tonight ha!" Lisa stucked her tongue out at him playfully.

"Alright.. Alright.. Stop being all jolly there.. Let's go somewhere..

My treat."

"Oww! Yah!" Lisa wailed as Jungkook had dragged her by headlocking her in the neck.

I guess this would be my first date... Jungkook thought as he smiled.

Chapter 9

Jungkook and Lisa were walking together with their winter clothes on.

They were in the cold streets just near the food shops.

"Here." Jungkook gave a gift certificate to Lisa.

"What is this? Mon Bon Ramen Store?" Lisa asked as she scanned the gift certificate.

"That's the award I received back then when I was the winner of Aera University Photography exhibit."

"Ahh... Now I remember, but.. Are you really using this for me? I mean, this is your award, you should only use this with a person so special for you... Like your family, or IU, if ever you'd start dating her."

"But you're special to me Lisa." Jungkook suddenly stopped in his tracks and looked at Lisa with his most serious expression.

Lisa gulped as she haven't seen Jungkook, this very serious before, she felt awkward as they were now staring at each other nonstop.

"Well, then gomawo Donsgaeng!" Lisa tried to lift up the awkward mood and tried to forget Jungkook's sudden words.

Jungkook suddenly felt a sting in his chest, he don't know why he feels offended that she only looked at him as her dongsang.

After that, they finally went to the said store and started eating ramen.

Flashforward > > >

Jungkook and Lisa are now walking to explore more on the night streets of Seoul.

They were now both drinking hot coffee.

"By the way.. Gomawo for today Kookie! My stomach is now rumble-free." Lisa broke the silent atmosphere between her and Jungkook as they kept walking.

"No problem Lisa... That's just my reward to you because you participated well in the training. Now all I could say is good luck for tomorrow." Jungkook said

"Gomawo, for believing in me. But, yah.. You should call me noona again, to keep the people from getting suspicious."

"Arrasseo, if that's what you want, but you can still call me oppa anytime."

"Aigoo, you bunny!"

"Why are you calling me a bunny?"

"Because you look like one."

"Yah.. Do you want to die?"

"Yah, why are you so mad? Bunnies are cute, you don't want that? I'm your noona, and you're my dongsaeng, and I find you really really cute." Lisa said cutely as she started pinching Jungkook's cheeks making Jungkook groan in pain.

Little did Lisa know that although Jungkook looked pissed off on the outside, he was already blushing and giddy deep inside.

They then decided to sit on a park bench near a lamp post.

"Thank you." Jungkook suddenly muttered.

"Why?" Lisa asked

"Because of you I learned a lot of things as well."

"Yah.. I only helped you in the deal since you really loved IU."

Jungkook silenced for a moment.

Confusion suddenly entered him.

I don't feel any butterflies whenever I hear IU's name anymore..what is this? I only feel it when I'm with Lisa...She taught me everything and I'm glad I've met her, she's like my puzzle piece, my other half that I've finally found. Ugh! What am I even saying?...He shook his head.

"Gwaenchana?" Lisa asked him, he then looked at her straight through her eyes.

*Those beautiful eyes...*Jungkook thought.

His eyes then traveled to Lisa's lips.

"Hello?" Lisa broke him from his trance.

"Oh.. Umm." Jungkook didn't know what to say anymore as he looked away from her eyes shyly.

"Yah.. Kookie, you look pale. Do you have any fever?" Lisa pulled his face up to look at him, she then touched his forehead.

Jungkook then suddenly held her arm.

"Noona, what's your type?" Jungkook asked as he looked at her straight to the eyes.

"Eh? Why are you all of a sudden asking me that question?" Lisa wondered as she tried to pull away from Jungkook's grip.

"Nothing.. I just wanna ask, maybe I could pair you up with someone." Jungkook lied

"Oh really? Well.. Let me see.. I like someone who's older than me, someone who's mature and responsible and who could take care of me well."

Jungkook looked down in agony as Lisa's type was far from him.

He was even younger than her by months, he's even irresponsible and immature. All the opposite of Lisa's standards.

"But.. Noona.. Do you think I could be your type?" Jungkook

asked which made Lisa get shocked.

"K-Kookie yah.. What are you even saying?" Lisa stuttered

"I mean, your type is similar to IU, so I'll ask if you were in her place"

"Oh.. If I was IU, I could say that... Yes, I'd love to date someone who may be younger but acts like he's older, responsible, and mature."

Yeah! I still have a chance! I have to guess I'd have to act like an older and mature responsible human being from now on... Just wait for me Lisa, I'll be the perfect man for you. And it's official..

I like you.. Jungkook thought happily.

But unfortunately it kept flashing back on her.

*Aigoo.. What is this? What am I even thinking. He likes IU okay?... But, why isn't he even courting her yet? And When will our deal finally come to an end?....*She thought.

The next morning....

(Aera Relay Race)

Jungkook looked at his watch, they were in the library with his BTS squad.

"Guys.. I think I need to go, I still need a game to attend to." Jungkook said as he stood up.

"Ooh..is it because your Lisa noona is there?" Jimin smiled

"Wow.. You're such a supportive dongsaeng." Yoon Gi added.

"Yeah, we heard she was attending, tell her good luck for us okay?" Nam Joon said

"Alright Hyungs.. Goodbye" Jungkook then excitedly went out of the library.

Nam Joon and the rest of the BTS squad chuckled to themselves.

"I guess he really loves his noona." Nam Joon muttered.

Flashforward > > >

Many people started cheering on the bleachers

Whistles and sounds of pompoms could be heard everywhere.

Jungkook had also arrived and sat on the bleachers holding a bouquet of flowers, he then looked for Lisa, and when he saw her he instantly grinned.

"WOOH!! GO LISA NOONA!!" Lisa heard Jungkook cheering from the crowd then she grinned at him.

There are different colors for each runners:

Pink- Rosé

Purple- Jisoo

Black-Jennie

Yellow- Lisa

"Ladies and Gentlemen, welcome to the Aera University Relay Race competition. The winner of this competition will receive a trip to Hollywood with his or her friends... So shall we start now?"

Lisa, Rosé, Jisoo, and Jennie went to the starting point of the relay race track.

"Let's bring it on bitches." Jennie smirked

"Oh well yeah!" Rosé cheerfully said

"Chicken! Let's go!" Jisoo said cutely.

"I'm ready." Lisa muttered with her most serious face ever.

She then looked at Jungkook from the crowd, and he made a 'Hwaiting' sign.

Lisa smiled.

WHISTLE!!

The four girls started running.

The four of them were synchronized until one of the contestants, Jisoo fell on the ground,

Now only Lisa, Jennie, and Rosé remained on the track.

But then...Jennie and Rosé were now ahead of Lisa.

She started to lose hope and stopped in the middle of the race track in surrender.

"LISA! Where's your fighting spirit?!! Apply what I've taught you!!" Lisa heard Jungkook from the crowd.

This is it, I have to do this for Jungkook... This needs to work, all his efforts, it needs to be paid off... Lisa thought.

She then breathed deeply and clenched her fists.

Rosé and Jennie were now halfway the finish line.

Lisa's thoughts were now focused on the competition, she didn't

mind the people around her.

She then started running.

And running.. And running... Until she was already ahead of Jennie.

Now, Rosé and her were now 1 meter away from the finishing line..

But Lisa, gathered her fighting spirit and...

She had...

Crossed the finished line first.

The people started cheering for her.

"WOOOH!!! LISA!!! I KNEW YOU COULD DO IT!!!" Jungkook cheered loudly.

Lisa was then carried by some of her classmates

"You did great." Momo said

"Thanks guys." Lisa said.

"Alright, ladies and gentlemen, we already have a winner, please claim your reward here onstage.. And so, the fastest legs in Aera University..is.. LALISA MANOBAN!!"The host exclaimed

People applauded and Lisa smiled to receive a medal and the ticket to Hollywood.

"Kansamnida everyone. Without all your cheering and support and I could not have won this competition, I also thank Mr. Yang our adviser. And last but not the least, I thank my dongsaeng.. Jungkook, for training me." Lisa smiled at Jungkook from the crowd.

Jungkook then smiled back at her.

Chapter 11

Flashforward > > >

Jungkook and Lisa were now walking on the cold streets together as usual.

"Here, Congratulations." Jungkook smiled as he gave her the bouquet of flowers.

"Wah jinja.. You're making me emotional." Lisa started getting teary.

"Yah, why are you crying?"

"It's because of you. I won all because of you Kookie yah.. Now, I don't know how to repay you anymore."

Jungkook then smiled and hugged her, she then hugged him back as she sobbed.

"You don't have to repay me anymore...Is it your first time winning in sports? Look.. You can call me anytime if you want me to win any games or competition, then you won't call yourself unlucky anymore." Jungkook chuckled

"Gomawo jinja!" Lisa hugged him tighter than ever.

*Ah.. I wish we could stay like this forever...*Jungkook thought.

After they pulled out from the hug.

Jungkook cupped Lisa's face

"You're such a crybaby, come on, let's celebrate okay?" He said as he wiped her tears with his thumb.

Meanwhile.... At the busy streets of Japan...

"Miss Jeon, your parents wouldn't allow you to drive on your own." The two bodyguards started chasing after a girl.

"Psh.. Oh come on.. They're not even here." The girl still stubbornly went inside her car.

"But Miss Jeon w-..."

"I insist you leave me alone.. Why can't you understand? I'm big enough and I can make my own decisions. And besides I'm just spending my time wisely, before I'd go to Korea to see my most favorite brother... So Goodbye." The girl smirked as she closed her car door.

Meanwhile... At the Bar...

"Hmm.. That traitor Jungkook.. He won't even attend our hang out tonight." Jimin pouted.

"Yah.. What are you saying? Of course she's still hanging out with

his noona." Taehyung said

"Guys... Is Lisa really his noona? I mean something's fishy, other dongsaengs won't even spend most of their time like that." Nam Joon said

"Why not we find it out ourselves?"

Yoon Gi muttered

"Oh come on guys.. Maybe Jungkook's situation is hard. Think about it, he must have missed his noona so much and he's afraid to lose her.. I mean aren't you still feeling guilty of the fact that you're actually insulting his own noona?" Taehyung defended.

"Taehyung's right. But for now, we need to focus on helping Jungkook court IU." Jimin said

"That's right.. That maknae of ours must've been so shy that he still hasn't confessed to her yet." Nam Joon said

"What are we gonna do about it?" Yoon Gi asked

"Let's set him up with her. What do you think?" Jimin asked

"Hmm.. That's a great idea Jimin." Nam Joon replied.

Flashforward > > >

"Wah jinja.. That was very fun. I never thought I could win." Lisa said whilst smiling endlessly.

"I'm glad you you did it, let's buy some chicken and some beer shall we?" Jungkook smiled

"Why?"

"To celebrate, that's what me and my hyungs do when celebrating and Jin hyung who by the way is out of town right now is in charge of cooking foods."

"But Kookie yah.. Isn't this too much? This celebration and all? I mea-..."

"Oh come on, just be grateful okay? It's my treat." Jungkook said as he pulled her with him.

Flashforward > > >

They entered Hoseok's house with a box of chicken and a bottle of beer.

They placed down everything on the living room table.

"Where's Hoseok?" Lisa asked

"That's right..He could be here to celebrate with us." Jungkook said

"I'll try calling him." Lisa took out her phone from her pocket.

"Hello?" Hoseok said on the other line.

"Hey J-Hope, I just won the Aera Relay Race competition, me and Kookie are celebrating right now, can you come?"

"Oh Lisa.. I'm sorry, I'm at Busan right now, I'm busy managing my parent's conference.. I'm really sorry. Anyways Congratulations I really hope I could come in there."

"Okay, don't sweat it.. It's fine J-Hopee. It's fine. Good luck. Bye."

"Bye"

Lisa hung up the phone.

"What did he say?" Jungkook instantly asked

"He said he couldn't come." Lisa pouted

"It's alright."

Jungkook and Lisa eventually sat down on the couch.

"Let's celebrate wooh!" Lisa excitedly said.

"Cheers to Lisa who won the competition." Jungkook said as he clanked his shot glass full of beer with Lisa's.

They both started drinking and eating chicken.

Until Lisa was quite drunk and Jungkook was still sober.

"Kookiee yahh.. You're such thee bestt dongsaeeng evah." Lisa said drunkly.

"Yah.. You drank a lot." Jungkook chuckled at her.

"But...let me ask you something."

"What?"

"When weil our deeaal stopp? When will you court IU??"

Jungkook was flustered by her question.

"I'm still not ready Lisa."

"Alrighhtt.. But one timmee.. Why didd you sayy that I'm a special person to youuu?"

"About that... It's true."

"Aigooooo.. My little dongsaeeng."

"Stop calling me that Lisa."

"Whyyy? We aren't even finished wwith the deall yet!..And rememmer to addresss me as yourr noona!!."

*I'm tired of the deal Lisa.. I want you to be mine, and no one else now. My feelings for IU changed, and it's you who I wanted to be with...*Jungkook thought

"No, let's end it right now." Jungkook muttered as he leaned his face closer to hers and stared at her eyes down to her lips.

"Whatt doo you think you're doingggg??" Lisa felt her insides tingle as Jungkook's breath was now fanning in her face.

"From now on, I want to be your oppa." Jungkook said as he pushed her down the couch and crashed his lips unto hers.

Lisa's eyes widened as she felt Jungkook's lips dominating over hers.

She tried pushing him away but she's under him right now and he was pinning her shoulders on the couch with his strong arms.

Lisa finally surrendered as she closed her eyes, wrapped her arms around his neck and started kissing him back. Their plump lips perfectly fit with each other.

Chapter 12

Lisa woke up with the scent of her favorite, Kimchi Stew.

She sat up from the couch and turned to the direction of the kitchen only to find Jungkook cooking something in the kitchen.

She instantly looked away as her eyes widened and her cheeks turned beet red because she remembered what happened last night.

She then touched her lips.

"Oh.. You're already up... Let's eat, I already cooked breakfast." Jungkook said from the kitchen.

She stood up and sat down on the dining area.

Jungkook had poured the kimchi stew on her bowl.

"Jungkook..." Lisa said awkwardly.

Jungkook hummed in response as he sat across her.

"Did we k-kiss last night?"

Jungkook chuckled at her blushing face.

"Yes, we kissed."

"Why? I mean, we don't have any relationship.. This isn't even part of the deal."

"But for me we have, so shut up and taste the kimchi stew I made for you."

Tell me.. Is this a dream?... Lisa thought as she grabbed the spoon and started tasting the kimchi stew.

"Is it good?" Jungkook asked

"It's yummy." Lisa responded.

Flashforward > > >

Lisa had volunteered to wash the dishes.

As she was washing, she felt Jungkook wrapped his arms around her waist, he then leaned his head on her back.

"J-Jungkook... What are you doing?" Lisa said as she tried to pry off his arms away from her waist.

"Can't I do this?" Jungkook stated

Lisa then turned around to face him.

"Jungkook.. Why are you doing this? I mean.. What's our relationship? Aren't we suppose to continue the deal?"

"That deal again? Didn't you heard what I said? Let's end it."

"But IU."

"Lisa ssi... I don't like her anymore, I already have feelings for someone else.. And that's...y-you." Jungkook looked away shyly

whilst blushing.

"Jungkook..."

"Lisa... It's alright, if you won't accept my heart, don't force yourself, because I know that I will never ever be the ideal guy for you. I'm immature and irresponsible an-...."

Lisa cut him off by hugging him.

"Jungkook.. You blabber too much nonsense.. Don't bring yourself down. I already helped you as your noona and I could say that you already fit for my ideal guy, You're now mature and responsible although you're younger, I could say that you act like you're older than me, often times when I need help, you are there for me, even though you were stubborn at first and act rudely towards me, I did tried my best to think that you are a good guy Jungkook."

After they pulled away from the hug.

Lisa then caressed his face.

"Stop pouting bunny." Lisa chuckled.

"So what do you mean? Am I your boyfriend now?" Jungkook asked with anticipating expression

"Well, why not?" Lisa smiled

Jungkook's eyes glimmered with happiness, he then smiled widely and lifted Lisa whilst hugging her and spinning her around.

They both smiled in happiness,

"So now, you can call me oppa." Jungkook said as he placed her down this time.

"No, I'll call you bunny." Lisa stucked her tongue out.

"Yah... Stop calling me that... Call me oppa."

Lisa started running away from Jungkook and Jungkook started chasing her around.

Someone suddenly cleared his throat.

"Oh.. What am I seeing here? Are you siblings playing around my house."

Lisa and Jungkook's smiles turned into shocked faces.

"Oh.. Hoseok.. Well.. Sorry." Jungkook said as he suddenly felt nervous.

"Oh no, it's fine, just don't be too harsh on your Noona, I'll be going out for work." Hoseok winked before going out of the house.

After that.. Lisa sat worriedly on the couch and Jungkook sat beside her.

"What are we going to do? We both lied to Hoseok and your squad. I'm worried."

"Lisa.. I'm sorry, I shouldn't have dragged you into all these."

"It's fine Jungkook, at least we don't fight anymore." Lisa stared at him with hopeful eyes.

Jungkook then pecked her forehead.

"Don't worry.. We'll find the right time to tell them the truth, but for now, we might try to keep our relationship as discrete as possible. Do you trust me?"

"If it's you Kookie who helped me won the competition, then I'd trust you."

Jungkook then smiled and kissed her hand.

Chapter 13

"Jagi, can you fix this tie for me?" Jungkook said as he struggled with his uniform necktie.

"Aigoo... You little bunny." Lisa said as she started fixing his tie.

She got flabbergasted when Jungkook suddenly pushed her to the wall, and he trapped her with his other arm.

"How many times do I have to tell you to stop calling me a bunny?" Jungkook said with his dead serious look.

"Yah.. It's a cute endearment you know? You really look like one, who can blame me?" Lisa teased.

"Tsk.. If you don't stop calling me that, I'd bring you to bed right now."

Lisa suddenly blushed at his words, she then pushed him angrily

"Don't you dare blackmail me! I can do whatever I want..hmph!"

Lisa walked away angrily leaving him grinning devilishly.

At school...

"Look.. Why is Lisa grinning to herself like an insane girl?" Nayeon, one of Lisa's classmates pointed at her as she was busy with her phone for the entire Biology period.

"Yah. Lalisa, who are you texting?" Jihyo suddenly snatched her phone from her

"Yah! Give me my phone!" Lisa tried to steal back her phone.

Her classmates then started feasting around her phone.

"Huh? Mr.Bunny?" Bobby reacted as they all looked at her convo in the phone.

"Lalisa.. Why didn't you told us you were dating, and who's Mr.Bunny huh?" Jeonghyun said

"Guys! Jebal.. Return me my phone.." Lisa pleaded.

"We won't return it unless you tell us who Mr. Bunny is." Jackson said

"I can't just.. Please give me back my phone." Lisa was now on the verge of crying.

"Yah are you hiding something from us little Lisa?" Hyorin asked cockily.

"What the hell is going on here bitches?" Lisa and her classmates suddenly turned around to see who spoke.

"Oh.. Aren't you from the black team during the relay race?" Mina said

"Well.. Watch your mouth when you speak my name.. Jennie, or you're dead." Jennie folded her arms.

"Ooh.. You look badass girl." Nayeon beamed

"Oh jinja? Gomawo.. But.. Who gives you the right to just snatch that girl's phone hmm?"

Nayeon and Lisa's other classmates suddenly got threatened.

Jihyo then instantly gave Lisa her phone back.

Jennie then pulled Lisa with her.

They went to the school benches near the field and Jennie gave Lisa a coffee.

"Gwaenchana?" Jennie asked

"Yes.. Gomawo..Jennie unnie." Lisa responded

"Oh no problem. I'm just proud with your exceptional running skills during the relay race.. But just awhile ago, why did they want to snatch your phone??" Jennie asked

"Well, they wanted to find out if I was dating someone." Lisa said shyly

"Oh.. It's alright, I too had struggles before from shutting down some dating rumors with Taehyung."

"Oh.. Taehyung? The guy from BTS squad?"

"Yes.. Well, the rumor is true about me and Taetae though but we just want our relationship to be lowkey so we pretended that it was all rumors. Up until now, our relationship is a secret."

"Oh.. Well actually, I'll only tell you about this unnie...I..am dating Jungkook" Lisa whispered

"MWO?! Jungkook?!!" Jennie exclaimed

"Ssh.. Unnie, don't tell anybody about this." Lisa hushed her down.

"That maknae.. Tsk. Lying to his hyungs, we all thought you were his noona... But don't worry your secret is sealed in my lips even with their squad."

"Gomawo Unnie, I also don't want the BTS Squad to know about my relationship with him."

"Relationship with who?" A familiar voice spoke behind them.

Lisa and Jennie looked behind them, only to find out that it was Nam Joon and his BTS squad,

But Jungkook was nowhere to be found.

"Tell us.. What are you hiding from us Lisa?" Nam Joon asked with his stern voice.

"Guys! I-.." Jungkook was cut off when he saw his hyungs, Lisa and Jennie.

"Jungkook.. This girl right here is hiding something from us, are you perhaps involved in this?" Yoon Gi asked Jungkook.

"Tell us Lisa. Tell us the truth!" Nam Joon started raising his

voice.

Lisa's tears started falling.

"Hyung Stop it! Fine.. Me and Lisa aren't siblings.. She's my girlfriend." Jungkook said

"Jungkook.. You lied to us." Nam Joon said in his disappointed tone.

"I did it because you might insult her, and so that no misassumptions would be made between us but it turned out that I started liking her an-.."

"Jungkook.. We might have understood if only you told us the truth.. But you didn't, you broke our rules as a squad, we were like brothers we should not lie to each other." Jimin said

"I'm sorry guys." Jungkook said

"No, you're not, you backstabbing liar." Nam Joon said

"Even you Jennie, we don't trust you anymore. I recommend you stay away from Taehyung." Yoon Gi joined in.

"But hyung I-.." Taehyung was cut off when..

"Save it Taehyung, you need to stay away from Jennie." Jimin said

Taehyung then looked at Jennie in an apologetic look as he and his hyungs started walking away.

Now only Jungkook, Lisa, and Jennie were left behind, they looked at each other sadly.

Chapter 14

At the Arcade house...

"Stay away from Jennie and Jungkook from now on Tae, Jennie isn't trusted anymore, so is Jungkook." Jimin said as he paced back and forth.

"I just can't believe Jungkook never trusted us.. what? Does he think that we will judge him if he would date her?" Yoon Gi muttered.

"From now on, we need as well to stay away from Jungkook..we'll replace him with a new member." Nam Joon said.

"Replace him? Tsk.. Seriously guys, what is wrong with you? Do you think Jungkook lied to us without a valid reason? In situations like these, I thought you hyungs are forgiving and understanding, but as I could see now, you guys are overreacting, he did lie not because he didn't trust us but because he was afraid that both him and Lisa would be in danger." Taehyung spoke up all that were in this thoughts.

"Tae, our decision is final.. Jungkook is seriously too much. We were all patient after all the shits he gave us but now it already reached to our limits." Nam Joon said

"Fine...if you replace him with a new member, then I might as well quit BTS squad... If you want me to stay away from Jennie, I won't, because I love her, I hope you'd realize that if ever you would meet someone special in your life. So, goodbye." Taehyung then instantly left the Arcade house.

Nam Joon, Jimin, and Yoon Gi then looked at each other in disbelief.

Just then, the door bursted open.

"Guys! I'm back!" Jin exclaimed.

"Hyung, Taehyung and Jungkook are no longer part of the BTS squad." Jimin instantly rushed towards Jin.

"Mwo? What do you mean? Care to explain what's going on here?" Jin's eyes narrowed.

Meanwhile at Hoseok's house....

Jungkook and Lisa sat on the couch side by side, with their heads leaned on each other.

Jungkook was playing with Lisa's fingers, entwining his with hers.

"I feel bad for Jennie and Taehyung." Lisa said

"I'm sorry that you'd have to enter this mess Lisa, I'm really sorry.. But you have to promise me, no matter what happens, you will never leave and stay away from me." Jungkook said.

"Jungkook... I won't do that, I promise. You too, you should promise that." Lisa said

"I promise."

"I love you bunny."

"Bunny? Yah.. When are you going to stop calling me that.. Call me jagi from now on okay?"

"No." Lisa started teasing him.

A few moments later....

Hoseok entered the house as he tiptoed towards the living room, he just came from work.

He almost fainted when he saw two figures on the couch.

His eyebrows furrowed with the sight in front of him.

It was Jungkook and Lisa sleeping, their heads were leaning against each other, and their hands were entwined with each other.

I guess they're this close huh?...Hoseok thought.

The next morning...(At School)

As Lisa and Jungkook stepped down from the car, the students were looking at them.

This time, Jungkook held Lisa's hand and kissed it.

"Look.. Listen up...Lisa... She isn't my noona.. Actually, she's my girlfriend." Jungkook spoke to them all.

The students started gasping.

"I know we lied to you all, and I'm sorry. I hope you'd understand me, and now that I'm no longer part of the BTS Squad because I lied to them, I'll just stay with Lisa. I love her too much that I can't keep her away from me. If you guys even lay a finger on her, you'd have a taste of my rage. Now if you excuse us, we still have a class to attend to." Jungkook added as he pulled Lisa with him.

Flashforward > > > Cafeteria

"We're so proud of you guys. You were brave enough to face the students." Jennie said as she and Taehyung sat on the same table as Lisa and Jungkook.

"We did that to prevent any further complications." Jungkook said

"Kookie... Are you alright now?" Taehyung asked him.

"Yeah I am"

"Well.. The BTS squad were planning to replace you with a new member, and I didn't want that, so I decided to quit from the group."

Jungkook was able to drop his spoon.

"Hyung, why did you do that?"

"Because I know that they're doing something wrong. It was irrelevant for them just to get mad at us, it was a mistake, and do we really have to live perfectly when we're in that squad?"

"Taehyung's right Jungkook.. You guys don't deserve them." Jennie said

"Kookie.. We'll just have to leave them alone from now on." Lisa joined in.

"Guys, we're sorry." Someone suddenly spoke to them.

They then turned to look at who it was,

It was Nam Joon and the rest of the BTS squad..

Chapter 15

"Guys, we're sorry because we overreacted and didn't understand you." Nam Joon said

"We're also sorry Lisa and Jennie." Jimin said

Lisa, Taehyung, Jungkook, and Jennie then exchanged glances.

"So you're not kicking Jungkook out from the group anymore and replacing him?" Lisa asked

"We won't, especially Taehyung as well. Guys, we promise we'd treat you better this time and help you conquer all." Nam Joon said

"I hope we're in good terms here now." Jin said

Jungkook's face softened, so did Taehyung's

They then stood up and hugged them.

Lisa and Jennie then smiled at them.

Flashforward > > > Hoseok's house

Lisa and Jungkook went home together.

They went to their bedrooms.

Lisa then sat beside Jungkook in his bed.

"I'm so happy for you guys." Lisa said

"But we only have one major problem, Hoseok doesn't know the truth yet." Jungkook said

"Don't worry we'll tell him the truth." Lisa caressed Jungkook's back.

"For now, let's just stay beside each other and cuddle." Jungkook said.

He then pulled Lisa with him as he laid down on the bed, making Lisa lay down on his chest.

Lisa's palms were resting on his chest and she felt his heart beating rapidly.

"Yah, you have a strong heart beat Kookie." Lisa said

"See? That's the effect you have on me." Jungkook replied,

This time, he had sat up and hovered above Lisa.

So he was now on top of her, and she was underneath him.

He then leaned his face closer to hers.

Lisa heard her heart beat in her own ears.

"K-Kookie.. What are you doing?" Lisa gulped nervously

Jungkook didn't respond and smashed his lips unto hers, their plump lips synchronized with each other.

Jungkook then bit Lisa's bottom lip as he beg for access. And so Lisa permitted as she then wrapped her arms around his neck.

After that kiss, Jungkook and Lisa gasped for breath,

Jungkook then leaned his head on her chest.

"Let's stay like this for now." Jungkook muttered

"Yah, what's with the sudden outburst? You little bunny." Lisa asked as she started caressing his hair.

"Is there a problem? You're mine now so I could make love and give kisses to you anytime and anywhere." Jungkook said in his raspy voice.

Lisa scoffed.

On the other hand... (At the living room)

Hoseok was trying to fix something on the living room, when he noticed a phone.

Huh? It's Jungkook's.. Where's that kid?... Hoseok thought as he got the phone.

He then went upstairs and went straight to Jungkook's room.

The door was open and just as he was about to enter, he stopped by the doorstep.

He saw that Jungkook was leaning on Lisa's chest, and Lisa was caressing his hair.

Something suspicious is going on right here.. And it's one thing that is bothering me nowadays. One time I caught Jungkook wrapping his arms around Lisa's waist. Are they really touchy? Is Jungkook hiding something from me?.... Hoseok said as he backed away and looked at Jungkook's phone that he was holding.

He then instantly went downstairs, sat on the couch as he unlocked Jungkook's phone.

He then pressed the Messaging App.

He rummaged through the phone's messages.

His eyes narrowed when he saw.

Lisa 🐰

He then pressed it

And...

Me: *Yah, where are you? let's spend some time right now please?*

Lisa 🐰: *Okay Kookie.. Tsk, so demanding.*

Me: *Of course I can't wait to kiss you right now.* 😊

Lisa 🐰: *Aigoo you bunny, anyways see you, I'll be there. Where are you?*

-

-

-

-

Me: *Where are you??*

Lisa 🐼: We're at the benches, I'm with Jennie rn.

Me: I'm coming.

Lisa 🐼: Okay

Me: I love you babe 🐼

Lisa 🐼: I love you too 🐼

Me: Let's go home early, so I could make love to you.

Lisa 🐼: Stop it.. I'm blushing kekeke

After Hoseok scrolled the convo, he couldn't help but feel mad.

He didn't even realize that he was already holding Jungkook's phone with too much pressure.

He then instantly stood up as he saw Lisa and Jungkook going down the stairs.

"Oh. Hoseok, you're already here?" Jungkook said

Hoseok then slowly went towards both him and Lisa.

"What's the meaning of this guys? You lied to me!" Hoseok flashed the phone in front of Jungkook.

"Look.. Hoseok, we tried to find the right time to tell you the truth." Lisa said

"That's not it.. I just can't accept the fact that my best friend here broke our promise." Hoseok shook his head in disbelief.

"Hoseok I-.." Jungkook was cut off

"Save your excuses...Jungkook...bro, I thought we'd focus on achieving our dreams but why? Why did you even enter a relationship especially with Lisa? You made me look like an idiot."

"Look guys.. I'm sorry, I guess I need to stay away from now on. It's all of my fault." Lisa suddenly spoke with her fists clenched and her face on the verge of crying, she then ran out of the house

"LISA!!" Jungkook called out.

| end of Chapter |

Chapter 16

It's all of my fault, if only I stayed away from Jungkook, then we wouldn't have affected and hurt a lot of people in here, if only I knew that this relationship wasn't healthy... Lisa thought to herself sadly.

Her eyes were puffy after all that crying while running away, and then here she was, walking on the cold streets of Seoul all by herself.

As she was crossing the road, a car suddenly honked as it almost hit her.

"YAH! You idiot! Watch where you're going!" A girl with fancy accessories and an outfit stepped out of the car.

Lisa found the girl familiar... She saw her before on a picture at Jungkook's room. She had a resemblance of Jungkook's face. Including the bunny teeth, the pointed nose, the big brown eyes, and the pale white skin.

"Wait.. Are you Jungkook's sister?" Lisa spoke.

"How did you know? And who are you?" The girl looked at Lisa from head to toe.

Flashforward > > >

At a café..

Lisa and the girl sat across each other.

"Annyeonghaseyo, my name is Lalisa Manoban. You can call me Lisa." Lisa introduced herself

"Well.. My Name is Jeon Soo Ji.. You can call me Suzy." The girl introduced herself as she applied lipstick.

"That's a nice name."

"By the way, how did you know about me?"

"Well I live with Jungkook and I saw a picture of you in his room."

"Oh, that kid. I called him just awhile ago and told him I already arrived here in Korea... But, who are you to him? I mean what's your relationship with him?"

"Well... I-I.."

"Oh wait. Lemme guess, you're his girlfriend?"

Lisa nodded slowly.

Suzy suddenly placed down her lipstick and sent her a cold gaze.

"I remind you to stay away from him as much as possible from now on. Actually, Eomma and Appa wouldn't want him to date

because he still have to manage our business in Europe." Suzy said.

Lisa then looked down, her tears were about to fall but she held it in.

"I understand.. And I'd stay away from him." A lump formed in Lisa's throat.

"I'm sorry girl. But business first before love. You'd have to break up with him. Please Lisa."

"Yes I will."

"Gomawo, so shall we get going now? I can't wait to see my brother. Mind if you could lead me to where he's staying at?"

"Yes."

Flashforward > > > Hoseok's House.

As Lisa entered the house, Jungkook instantly went to hug her.

"Where have you been?" Jungkook asked

"I just needed some time alone but I'm fine now, yeah." Lisa answered

After they pulled out from the hug.

"Where's Hoseok?" Lisa asked

"He's now in his room. We're now in good terms, we just talked to each other and he says he forgives me and he now accepts our relationship... We have no more problem Lisa.. We're now free to love each other now!" Jungkook said happily as he caressed Lisa's face.

Lisa then looked at him with sadness in her eyes.

"By the way Jungkook, someone wants to see you." Lisa said.

Suzy then entered the house.

"Hello Kookie! I'm back!" Suzy exclaimed as she placed down her luggages.

"Noona?" Jungkook's eyes widened.

"Miss me?" Suzy then went to hug her brother.

"Wait.. How did you and Lisa meet?"

"Well, Lisa here is quite friendly... So anyways, we need to talk right now, the three of us, including you Lisa." Suzy turned to Lisa.

Lisa then nodded and understood what was going to happen next.

Suzy, Lisa and Jungkook then sat down on the couch.

"Jungkook... Tomorrow, we have a flight to Europe." Suzy started

"What? Noona, what are you saying?" Jungkook replied.

"I said that we need to go to Europe and move in there, it's your turn to manage our business."

"But how about Lisa?"

"Jungkook... You don't need me anymore, we... Need to break up." Lisa said as she forced herself not to tear up.

"Lisa.. I don't understand. Lisa, you promised me right? You won't leave me. Noona, why is Lisa saying this?" Jungkook was on the

verge of crying.

"Jungkook.. I don't have to repeat what I'll say...We need to break up and I'm breaking the promise as well...I'm doing this for your sake, you have to go with your sister to manage your business, that's for your future."

"No, you aren't doing this for my sake, you're hurting me more."

"Jungkook... Lisa's right.. She's unselfish right? She wants what's right for you, she wants you to have a better future." Suzy held his brother's arm

"No! I won't allow this! Lisa.. Please.." Jungkook pleaded to Lisa.

"No Jungkook.. It's over, you have to go now." Lisa stood up and ran upstairs.

Lisa then went to her room and cried.

Goodbye Jungkook.. I have to let you go. It's for your sake... Lisa thought.

Chapter 17

Lisa decided to move out from Hoseok's House.

She packed up her things and decided to live in with Jennie.

Jungkook on the other hand forced himself to move on from Lisa,

He bid his BTS Squad farewell as he and Suzy went to the airport for their flight to Europe.

When he went in the airplane, he immediately placed on his headphones and started listening to songs for a broken hearted.

Flashforward > > > Arrival at Europe.

Upon arrival,

Jungkook and Suzy went immediately to their Manor nearby, and it turned out that their parents threw a welcoming party for Jungkook.

"SURPRISE SON!!" his mother and father exclaimed in unison as a confetti popped up in front of Jungkook.

Jungkook forced himself to smile even though deep inside he was very hurt.

He couldn't believe that it was all gone,
all the love he and Lisa made was all wasted.

"Gomawo" He said blankly.

Without any further words, he went straight upstairs and to his room.

"What happened to him? Why is he acting that way?" Jungkook's mom asked Suzy.

"I'll go talk to him." Jungkook's dad said

He then went upstairs to his son's room.

"Jungkook.. Son, gwaenchana?" His dad asked him as he sat beside him on the bed.

Jungkook then stared at his father, his eyes visible with sadness.

"Appa... I lost her." Jungkook said

"Who?"

"The girl whom I love so much."

"Jungkook... Sometimes, there are some things that you must let go in order to look ahead for the future."

"Appa.. Can't I be with her? I mean, I can stay with her at the same time manage the business?"

"No Jungkook, you can't. That girl is only going to deceive you, just like what happened to me a long time ago. Before I met your

mother, the business fell because of that first love of mine, so from then on, I pledged to myself that I won't ever let any of sons or daughters get distracted in the business."

"Appa.. This is different this time, She loves me very much. She's the one who taught me everything, who taught me how to cook, clean, do the laundry... And everything else. She's my everything and I can't live without her."

"You have to move on Jungkook."

"Appa.. I can't.. Please." Jungkook's tears started to fall.

It was the first time his dad saw him crying in centuries.

His dad's gaze towards him softened.

"You really love her don't you?"

"I do. I really do."

"Alright... You can be with her and marry her.. On one condition..You need to manage the business first and make it grow well in the industry, if she can wait for you, then, it would be much better."

Jungkook's tears brightened.

"Appa...Thank you so much." He said in happiness as he hugged his dad ever so tightly.

6 years later.....

(BANGKOK, Thailand)

Lisa became a well known photographer

There was a Grand Photography exhibit happening in Thailand, wherein various of photographers all over the globe will be exhibiting their works.

Lisa was one of the selected best photographers and right now, she's busy explaining and promoting her works to the new guests.

She was wearing her nicest dress and it was the first time, that her hair was curled up into a bun.

She was busy smiling to the guests and even speaking in Thai language to some.

Just then, the other selected photographers started gasping and muttering some things.

Oh my god, he's so handsome.

I hope he chooses my work so I could promote it to a handsome guy like him...

No he'd choose mine.

What a cool guest.

Lisa was still busy smiling and chitchatting to the other guests who were interested in her work when....

"It looks mundane and boring." A familiar voice spoke behind her making her eyebrows furrowed.

The other people in the photography exhibit room started giggling.

Lisa turned around and she couldn't believe it in her own eyes.

"J-Jungkook?"

"So Noona, mind if we could spend time together?" Jungkook smirked

Lisa cried tears of joy and nodded, she then hugged him tightly than ever.

The people in the museum cheered for them and the other selected photographers were envious.

What a lucky girl..

So he's Ms. Manoban's boyfriend all along.. Hmph!

"Jungkook.. You came back for me." Lisa said

"Of course I would. Even though you chose to let me go before, I know you did it because you love me." Jungkook said

"So, let's have some coffee?"

"Hmm.. Show me the best café here in Thai girl."

Lisa chuckled at his words.

Epilogue

Lisa had let Jungkook meet her parents and showed him her room.

Jungkook was beyond surprised as he looked around Lisa's bedroom.

There was a giant bunny stuff toy, there were bunny stickers on the wall.

Her backpack and wallet was full of bunny decorations.

Even her blanket and bed sheet had bunnies print in it.

"You really miss me so much huh?" Jungkook chuckled

"I can't help it. That was the only way I could recover from depression, How did you know I was here in Thailand?." Lisa pouted

"I asked Jennie."

"Wow.. So how's your business in Europe?"

"It's fine as hell.. And now I came here to marry you."

"Wait.. What? But your parents.."

"They already allowed me. I will now be able to marry you Lisa."

"Jungkook.." Lisa started getting teary.

Jungkook then knelt down.

"Here I am, proposing to you in your bedroom filled with the same kind of mine, Ms.Lalisa Manoban, will you be my Mrs. Jeon for life? Will you marry your fake dongsang, will you marry this bunny in front of you?" Jungkook smiled as he flashed a diamond engagement ring in front of her

Lisa nodded and she went to hug him.

Flashforward > > > 1 year later...

At Beach side....

Jungkook and Lisa were laughing to themselves as they walked barefoot on the beach sand.

They were spending time together as if they were the only ones in the world.

Lisa was already 3 months pregnant with Jungkook's son.

Jungkook started taking pictures of her, and she did the same to him.

They were taking pictures of each other.

Then as Lisa became tired, Jungkook had piggybacked her.

They then rested side by side and leaned on a huge rock.

Jungkook then let Lisa lean her head in his shoulder. He then entwined his fingers with hers.

"How's my baby?" Jungkook asked

"Aigoo... I'm totally fine..I can't believe it...we've already gone this far Jungkook."Lisa said

"Of course."

Jungkook then leaned his face closer to hers and he pressed his lips on hers. They kissed passionately.

"I won't ever let you go Lisa. You're the best thing I ever had."Jungkook said as he leaned his forehead on hers.

"Oh really bunny?" Lisa asked

"Yes I am sure... My Noona." Jungkook answered

Lisa laughed.

Then they spent the day together by the beachside as they looked at the sunset.

"Hey guys! Look it's Lisa and Jungkook!" Taehyung shouted as he saw them from afar.

"Hey.. Honey, let's give them some time alone shall we?" Jennie gummysmiled as she pulled Taehyung with him.

"Ouch. My eyes sore seeing you love birds.. Aishh,I gotta leave now." Yoon Gi muttered

"You're just bitter hyung." Jimin teased him.

"You'll find yours soon Yoon Gi." Nam Joon said

"Ooh.. My sister, Jisoo, I ship you both." Jin giggled.

"Jisoo? Hmm.. What a beautiful name..let her meet me okay?" Yoon Gi said as he walked away and took a nap.

The BTS squad and Jennie then started hanging out together whilst looking at the two lovers in front of the sunset.

They laughed and chitchatted.

They all lived their happy lives.

In short, they lived happily ever after.
